

## Application Group Tasks

---

*To be signed off by your primary therapist.*

### **ONGOING REQUIREMENTS**

- Regularly schedules individual counseling sessions with primary therapist.
- Completed Assessments: SDI and PTSI-R (MAWASI if directed by your therapist) with a CSAT therapist and set up individual appointment to review.
- Completed Disclosure Workbook, then participate in a full disclosure process as directed by a SABR therapist (*Note: If in a relationship, your partner must also be prepared by her individual therapist. If single, you must choose a mentor/friend for the session with the help of your therapist. Typically done within 2-4 months of start date of SABR enrollment, but timing is to be decided with the help of the individual therapist.*)

### **HEALTHY LIVING**

- Established an exercise program that incorporates health and nutrition.
- Established safe and connected relationships within the group, and utilize those daily for support and accountability.
- Weekly dates with partner or support for fun and connection without heavy recovery talk.
- Emotional check-ins with partner while utilizing learned attunement communication skills.
- Awareness of partner's need for safety, and use the safe language script from Workbook 9 while communicating with partner.
- Mastery of the Toolbox – every tool is memorized and those which work best are used often.
- Daily life struggles, including infrequent slips, are no longer accompanied by shame talk.
- Explores and creates a structure toward a spiritual life.
- Self-care and compassion behaviors have become automatic and utilized before slips, as part of daily routine.

### **READING/AUDIOBOOK**

- The Power of Vulnerability by Brené Brown (available only on audio)
- Daring Greatly by Brené Brown
- Self Compassion by Kristin Neff
- Out of the Shadows by Patrick Carnes
- Not Nice: Stop People Pleasing, Staying Silent, & Feeling Guilty by Aziz Gazipura

### **SOBRIETY INTEGRATED into RECOVERY**

- Slips checked in with partner/accountability partner and other support within 12 hours.
- Utilization of RPS as a tool after completion of Workbook 8.
- Frequently revisits sobriety plan, adjusts bottom lines as needed, and is experiencing improved sobriety.

### **PREPARATION for GRADUATION**

- Plan of Action implemented and revised at least twice.
- Reviewed preceding behaviors checklist from Workbook 8 and reviewed with primary therapist.
- Completion of all nine workbooks.
- Met with Primary Therapist to assess appropriateness for participation in Phase 3.
